Remarks/Arguments:

Reconsideration of the application is requested.

In the first paragraph on page 2 of the above-identified Office action, the Examiner stated that the response is not fully responsive.

More specifically, the Examiner has stated that applicant is requested to update or change the power of attorney to reflect the correct listings of attorneys of record.

In a telephone conversation with the Examiner on August 23, 2005, the Examiner indicated that the attached copy of the Submission of Revocation of Power of Attorney with New Power of Attorney and Change of Correspondence Address, which was submitted on May 11, 2005 would be sufficient to resolve the above-noted matter. Accordingly, a copy of the paper is attached to this response.

If an extension of time for this paper is required, petition for extension is herewith made.
